

## MAKE YOUR COURSE AVAILABLE AT THE START OF THE SEMESTER

It is your responsibility to make the course available to the students.

1. Select **Customization** and **Properties** in the **Control Panel** area.
2. In the **Set Availability, Make Course Available** area, select **Yes** and click **Submit**.

**NOTE:** Check the dates to be sure that they coincide with the start and end dates of the current semester. Course availability dates are set prior to the start of the semester to allow instructors to open the courses earlier if they wish to do so.
